Terms and Conditions are available on request from Trading Standards 0161 912 1377

Your local early warning system

What is iCAN?

iCAN is a messaging system intended for anybody living in the community who would like to be made aware of the latest cons and scams. Anyone can become a member of iCAN. We want people from across Trafford to join and who are prepared to spread the word in their area.

How do Members get this Information?

You can receive information by pre-recorded phone message, text messaging to a mobile phone or email. You can choose one method or all three depending on your preference. For telephone messages there is an option to have the message repeated and select the times of day you wish to be contacted.

What do Members of the Network do?

Members should use the information to keep themselves protected. We would also like members to tell others such as neighbours, family and friends. Do you know people who live alone and may be vulnerable? These are the kind of people who we particularly want Members to talk to and look out for. The more people join, the more effective we can be at protecting the community from:

- **STOP** Rogue doorstep traders
- **STOP** Distraction burglary
- **STOP** Scams and Cons

Vigilant Members can be the eyes and ears of Trading Standards and have in the past provided vital information that has led to victims being saved money and crooks being caught. From time to time we will also consult you as a Member to seek your views on issues that affect your area.

What does it Cost?

Membership is **FREE**, so if you do want to become a Member of iCAN please fill in the form overleaf and return it to the **FREEPOST** address. There's no need for a stamp! You will then begin to receive messages by whatever method you have requested.

How are my personal details protected?

Members' details are kept on a secure database and will not be disclosed to any third party. If you want to leave iCAN at anytime your details will be deleted and you will receive no further messages.

If you want to speak to anyone about iCAN, please contact Julia Bentley on 0161 912 1377 or email trading.standards@trafford.gov.uk www.trafford.gov.uk/ican
