

Sing a new song

Community Choir has resumed although with a feeling we would like to sing some new songs.

If you attend or would like to in the future, we would be grateful if you would suggest a new song or songs, you enjoy singing and think others will too.

Perhaps you don't have a specific song in mind but a type or an artist such as Elvis, The Beatles, Jim Reeves or songs from the 60's, 70's 80's or 90's. Maybe something from a particular show such as Les Mis, Phantom, Lion King or Mama Mia. There may be a song from your younger days which bring back memories – if so we would love to hear your story.

We may not be ready for Madonna or Kylie but "When I'm 64....." there will be no excuse!

Please pass ideas for new songs to any of the music team, the vicar or known CC members – or simply come along to choir yourself.

The choir meets 1:30pm every Friday in March and the first two in April after which we have a two week break for Easter.

We welcome singers of all abilities and provide a safe space for those with dementia and/or memory loss to come along with their carers/family.

Please get in touch with us via the church office by email or telephone for more information.
