This is the Bishop of Chester's quest to discern a new vision for the Church in our Diocese. We have a 'vision cafe' on 8th February, starting at 4pm to 7pm at The Hiya Space, Sale (next to Specsavers). We can offer refreshments and chat. Please come and tell us how and where we can best respond to serve peoples practical, emotional and spiritual needs in these challenging times.

**Come and tell us what you think.
We can take it!**

What's the church doing wrong?

How can church buildings be used to benefit communities?

If the church was to do one thing differently, what would it be?

Where's God in this, anyway?
